

3/30/55

IN THE MATTER OF APPROVING AUDITOR'S REPORT.

Commissioners Court in session purpose of meeting to approve auditors report County treasurer receipts dated 2-25/55 shows \$5802.17 credited to General Funds when in fact only \$2098.65 should have been credited this difference is due to the various funds on basis of tax levy and it is ordered by the court that this be adjusted as soon as the finances of the general fund will afford.

Motion made by Commissioner Lilly seconded by Commissioner Blankenship to effect that above order be made the judge put the motion before the court with instructions that as many as favored such motion to vote AYE and those opposed to vote NO all voting in the affirmative the court declared the motion carried and the order passed.
