TO: Mr. G. R. Coker, Supervisor Area #1
 State Department of Public Welfare
 Mt. Pleasant, Texas.

RE: Removal of Employable Persons from Surplus Commodity Rolls Titus County, Texas.

This is to officially notify the Department of Public Welfare that it is the desire of Titus County Commissioners' Court that all employable adult persons who are now receiving surplus commodities be removed from the active rolls.

We feel that this is necessary due to the increased labor shortage and the availability of work for everyone who is able-bodied.

Yours truly,
 Ed Dickson, County Judge
 Titus County, Texas.

 There being no further business motion was made by Comm. White and seconded by Comm. Nugent to adjourn until regular Court day on October, 12. All members voted aye and the motion carried.
