 IN THE MATTER OF WAIVER IN REGARD TO DELINQUENT TAX CONTRACT:

STATE OF TEXAS |

COUNTY OF TEXAS |

I, the undersigned County Attorney of Titus County, Texas, do hereby acknowledge that the Commissioners' Court of the said County has notified me to file suit for the collection of delinquent taxes in said county; however, due to the fact that it would be physically impossible for me to personally file and handle such suits, and at the same time to properly discharge the other duties of my office, and to the further fact that the statutes do not provide adequate compensation for a County Attorney to file and to prosecute suits for delinquent taxes, but to make adequate provisions for other attorneys to handle the same, I do hereby decline to file such suits and do hereby waive the thirty days' written notice provided in Article 7335, Revised Civil Statutes, and do hereby agree that the Commissioners' Court of said County may contract with some other competent attorney to enforce or assist in the enforcement of the collection of delinquent State and County taxes.

Witness my hand this, the 1st day of January, A. D. 1947.

Bird Old, Jr., County Attorney
 Titus County, Texas.

WHEREAS, after making an investigation into the competency, experience and ability of T. R. Florey, Jr. a licensed attorney whose post office address is Mt. NOW, THEREFORE, THIS CONTRACT made and entered into by and between the County of Titus, Texas, a body politic and corporate, acting herein, by and through its Commissioners' Court, joined by the Comptroller of Public Accounts of the State of Texas, hereinafter styled First Party, and T. IV.

Second Party hereby agrees and obligates himself to communicate with each and every person, firm, association or corporation owing any of such taxes, with the view of collecting same and shall, before filing suits for the recovery of delinquent taxes for any year or years, prepare and mail delinquent tax notices to the owner or owners of said property at their last known address, covering all delinquent taxes shown to be due on the tax rolls of said county, as provided for in Article 7324, Revised Civil Statutes, 1925, as amended by Chapter 117, page 196, Acts of the Forty-second Legislature, Regular Session. In the event the taxes, together with penalty and interest are not paid within thirty (30) days from the date of such statements and notices are mailed, then Second Party shall prepare, file and institute, as soon as practical thereafter, a suit for the collection of said taxes, penalty and interest, which suit shall include all past due taxes for all previous years on such tract or tracts and where there are several lots in the same addition or subdivision delinquent, belonging to the same owner or owners, all said delinquent lots shall be made the subject of a single suit, and which suit shall be prosecuted with dispatch to final judgment and sale unless said taxes are sooner collected.

And in case such abstract is not placed with the papers in a court proceeding it shall be filed with the tax collector for the purpose of maintaining

its preservation until such time as all of the taxes to which it pertains, or such part thereof as are held to be due, are paid.

VI.

Second Party shall prepare or aid and assist the County or district attorney in preparing all petitions, citations, notices by publication, personal service citations, notices by posting, judgments, notices of sale, orders of sale and any and all other things necessary or required to be done for the collection of all delinquent taxes, and shall render all necessary and proper assistance to each of the other officers to the end that all taxes assessed or unknown and unrendered now delinquent, or that may become delinquent during the life of this contract and be so reported on Comptroller's forms provided therefor, may be collected, and when collections are not made, to assist in reducing same to final judgment and sale.

VII.

It being further agreed and understood that Second Party shall furnish at his own expense, all stationery, legal blanks or forms, stamps, envelopes and printing, together with all labor necessary to complete said contract; and that Second Party shall pay off and discharge any and all bills for, and other expenses incurred in the prosecution of said work, and it is hereby understood and agreed that said First Party shall not be responsible for the payment of such expense or any part thereof.

VIII.

First Party agrees to pay to Second Party as compensation for the services hereunder required 15 per cent (not to exceed fifteen (15) per cent) of the amount collected of all delinquent taxes, penalty and interest of the years covered hereby, actually collected and paid to the collector of taxes during the term of this contract, of which Second Party is instrumental in collecting as evidenced by copies of communication, tax notices or abstracts filed with the tax collector prior to the payment of such tax, including collection of taxes on property not appearing on the assessment rolls nor shown delinquent but which would have been so shown had it been properly assessed, discovered by said Second Party, as and when collected, following the end of each month within the period of this contract, accordingly as the collector makes up his monthly reports; provided, cost of collecting delinquent taxes shall not exceed the amount of penalty and interest, or an amount equal to such penalty and interest of all delinquent taxes collected under the terms of this contract (Chapter 229, Sec. 2, Regular Session Forty-Second Legislature, having reference to regular 8% penalty and 6% interest). The per cent of compensation here referred to shall be contingent upon the collection of such taxes as by act of the Legislature are required to be collected. Should any remission of penalty and interest on taxes appearing on the delinquent records be made by legislative enactment effective during the period of this contract, the same shall not be collected nor commission allowed thereon. Also, advalorem taxes, delinquent, levied against State owned property for county and district purposes, the payment of which is to be taken care of by Legislative appropriation provided for by Statute, are excluded from the provisions of this contract.

IX.

This contract shall be in force from Jan. 13th 1947, to Dec. 31, 1948, both dates inclusive (not to extend beyond December 31, 1948, the end of the present administration of the Commissioners' Court), and at the expiration of said period, this contract shall terminate, except the contractor shall be allowed six months in which to prosecute to trial court judgment suits filed prior to Dec. 31, 1948, terminating date of this contract provided, and shall handle to conclusion all suits in which trial court judgments are obtained during the period of this contract and which are appealed by any party. The Commissioners' Court and the State

Comptroller shall have the right to sooner terminate this contract for cause giving thirty (30) days' written notice of such intention, with a statement of the cause or reasons for such termination, after giving Second Party a reasonable opportunity of explaining or rectifying the same. In case of such termination, Second Party shall be entitled to receive and retain all compensation due up to the date of said termination.

X.

Before any commissions are paid out under the terms of this contract, Second Party shall furnish a good and sufficient bond, payable to the county judge and to his successors in office, in the sum of Five Thousand Dollars, (not to be less than \$5000 accordingly as the Commissioners' Court deems just and proper) to be executed by a solvent surety company, or if executed by private parties, the bond shall be signed by at least three good and sufficient sureties owning unincumbered real estate subject to execution, of value equal to the amount of bond and conditioned upon the specific performance of the terms hereof, including the making of reports, provided for in Section XI of this contract, and further conditioned that he shall forthwith pay over to the tax collector, or other persons justly entitled thereto, any money or commissions paid him by mistake, through error, or otherwise, to which he is not entitled under the terms of this contract. Said bond shall be approved in open Commissioners' Court, signed by the county judge, filed and recorded in the county clerk's office, and a certified copy of same furnished the State Comptroller.

XI.

At the end of each month, or as soon thereafter as the tax collector shall have made up his report showing collections made for such month, said Second Party shall have access to said report and shall by comparison of the same with his own files or records of service, copies of which he has filed with the tax collector, make up in triplicate a report of collections out of which he is entitled to commission under the terms of this contract. Second Party shall also have access to the collector's receipts for such collections and shall, in his reports to be made on forms furnished by the Comptroller, show each year and the taxes collected therefor on a separate line. Also, where collections are made after suit has been filed and commission allowed at a greater or different rate under the terms of this contract, Second Party being guided by the file docket of the clerk of the court, shall prepare and attach to his reports to be filed with the tax collector a list showing number of suit and date filed. After the report has been signed and sworn to by Second Party, two copies of the same shall be delivered to the Tax Collector, one to be attached to and sent with the Collector's monthly report to the Comptroller, the other filed in the Collector's office, and the third copy to be retained by the Second Party.

XII.

Each month, after having received copies of the contractor's report as provided for in the preceding section, and checked the list of taxes shown therein with his own report and with copies of communications filed with him, as provided for in Section XIII of this contract, and after having verified the correctness of commissions claimed, the county tax collector is hereby authorized, ordered and directed to deduct the above specified per cent of said taxes, penalty and interest, or such amount as can be allowed under the penalty and interest restriction, to which Second Party is entitled, and to pay the same to him, unless otherwise herein directed and to take his receipt as provided for on Form 107, Contractor's Report, which when received in the Comptroller's office will be the Comptroller's authority to allow the said tax collector credit for the amount so paid; provided, that the tax collector before complying with the provisions of this section shall first satisfy himself that the bond required of Second Party under the provisions of Section X of this contract has been approved and placed on record in the office of the County Clerk; and it is here

further provided, that should any question arise regarding commission claimed the tax collector shall withhold the payment of such commission or an amount equal thereto, placing the same in escrow, and apply to the State and county, accordingly as they may be effected, for information and direction as to the proper amount of commission due to be allowed under the terms of this contract.

NOTE: Should the Commissioners' Court and the contracting party elect that the commissions withheld be placed in an escrow fund and paid to Second Party otherwise than as provided in Section XII of this contract, another section setting forth the method of payment to the contracting party should be added to and inserted in this contract preceding the last page prepared for the signatures of the contracting parties.

XIII.

In order that the tax collector may be able to verify and attest the correctness of commissions claimed by Second Party, as evidence of service and to entitle him to the commissions provided for in this contract, Second Party shall file with the tax collector prior to time of payment, copies of such communications, tax notices or abstracts which shall be preserved by the tax collector in some systematical order as will make them easily accessible for the purpose of verification or for such other value as the same may have in case it becomes necessary for the county and State to buy in such properties at tax sales, said copy or copies shall also contain such information or reference as will enable the tax collector to readily locate the tax as it appears on his delinquent forms and/or delinquent records.

XIV.

It is further agreed and understood that this contract is for personal services and is not transferable or assignable without the written consent and approval of First Party. It is also agreed that the Commissioners' Court of said county shall furnish suitable space in or near the courthouse as convenient to the records of said county as may be for the purpose of carrying out this contract.

XV.

It shall be the duty of the Commissioners' Court and of all other officials of said county to cooperate with and render such reasonable assistance to said Second Party as the circumstances may require, said assistance, however, is not to include the actual performance of the work herein designated to be performed by Second Party; and it being the duty of the county attorney or of the district attorney (where there is not county attorney) to actively assist Second Party in the filing and pushing to a speedy conclusion all suits for the collection of delinquent taxes, it is hereby provided that where the county or district attorney (where there is not county attorney) shall fail or refuse to file and prosecute such suits in good faith, the attorney prosecuting suits under this contract is here fully empowered and authorized to proceed with such suits without the joinder and assistance of said county or district attorney.

IN CONSIDERATION of the terms and compensation herein stated, the Second Party hereby accepts said employment and undertakes the performance of said contract as above written.
