(SEAL)

Allen LaPrade, Clerk of County Court,
Titus County, Texas.

To Judge Mason and Commissioners Court

Dear Sirs:

We are sixth grade students from Frances Corprow Intermediate School, Mount Pleasant, Texas.

A number of days ago we visited the County Clerk's office at the Titus County Court House, as a committee to get information for a social studies class report. While we were there we also visited the court room. We notice that there was neither a national nor a state flag in our court room.

We feel that it would be a very good idea to have both flags in our court room, since the court is the foundation of law and order in our country.

We would like to ask you to please take this into consideration.

Respectfully yours,

Howard Kidwell, Lisa Jiggers, Cathy Jones,
Sherri Alexander, Tommy Stansell, Mark Traylor,
Cristy Smith, Larry Alexander.
