Titus County Commissioners' Court
Mt. Pleasant, Texas

R E S O L U T I O N

WHEREAS, Texas motorists pay a federal fuel tax of 9 cents a gallon into the Federal Highway Trust Fund, which is legislatively mandated to be apportioned to states for use on the Federal Aid Highway Program; and

WHEREAS, Texas received approximately \$800 million a year from the Federal Highway Trust Fund; and,

WHEREAS, the federal funds account for 50-60% of highway construction in Texas; and,

WHEREAS, since 1917 when federal highway funds first became available to the states, Texas has used 100% of such funds exclusively for highway purposes as mandated by federal law; and,

WHEREAS, federal highway funds are received by the state as reimbursement for the expenditure of constitutionally dedicated state highway use taxes; and,

WHEREAS, it has recently been suggested that federal highway funds received by the State of Texas as reimbursement be diverted to general revenue purposes; and,

WHEREAS, diversion of the federal highway funds would (1) be unlawful, (2) violate the public trust, and (3) destroy the successful concept that those who use highways should pay for their construction and maintenance; and,

WHEREAS, Texas voters can stop this potential attempt at diversion of federal highway funds to unrelated purposes by voting for a proposed GOOD ROADS AMENDMENT to the state constitution on the ballot in the November 1988 general election; and,

WHEREAS, this proposed constitutional amendment will appear on the ballot: "The constitutional amendment and/or clarification providing that federal reimbursement of state highway dedicated funds are themselves dedicated for the purpose of acquiring rights-of-way and constructing, maintaining, and policing public roadways."

NOW, THEREFORE BE IT RESOLVED that the Commissioners Court of Titus County, Texas supports the proposed constitutional amendment dedicating federal highway funds received by the State of Texas exclusively for the intended purpose of improving Texas highways, and BE IT FURTHER RESOLVED that we call on all Texas voters to join us in supporting the proposed amendment and pledge our support in educating the voters to the critical importance of a YES vote for the GOOD ROADS AMENDMENT.

PASSED AND APPROVED THIS 10th day of October, 1988.
