County Judge Crooks asked, "Are there any comments from the courtroom?"

Commissioner J. W. Terrell, Jr. stated that the County needed at least 2 weeks to get the figures to work with the county budget.

Mr. A. E. Smith expressed his feeling that the city and county should work together and make one fire district serving everyone. He also suggested getting a text fire report from Austin. It is a report that shows every response to a fire in Titus County. He said, "If we go to this agreement 50/50, do we get the same coverage with 2 engines and 4 paid men like the city gets on each fire response?"

The Court then went into executive session at 1:35 p.m. to discuss the fire contract.

No action was taken in executive session.
