Ref: Request for Proposal – Insurance consulting

Dear Mr. Johnson:

Thank you for contacting me concerning the County's request for an independent advisor to assist with the renewal of property/casualty insurance policies. Please accept this letter as an official proposal for consulting services.

In my phone conversation with you this week you indicated the County desired the chosen consultant to (1) prepare RFP's for the insurance coverage indicated, (2) to help advertise the RFP's, (3) to evaluate proposals received, and (4) to make a written and oral recommendation to the County.

I would anticipate 3 on-site visits to the County to perform this work as well as communication by phone, fax, email, and regular mail.

The Proposed Fee for the work indicated would be $3500 plus reimbursement for travel and miscellaneous expenses (postage, photocopies, etc.) not to exceed $500. The maximum cost to the County would not exceed $4000 and hopefully would be slightly less.

I have enclosed a Sample Contract, a List of References, and a copy of my license as a risk management consultant. Please call me if you need further information. I look forward to working with the County.

Sincerely,

Bill Preston
