1. IN THE MATTER OF DISCUSSION CONCERNING THE 2010 EMPLOYEE BENEFIT RENEWAL PROPOSAL. Gail Norris recommended replacing Access Direct with Texas True Choice, as Texas True Choice offers a 20% discount on out of network claims, and allows more providers. Mrs. Norris also recommends the County stay with the \$45,000 Option with Mutual of Omaha as the insuring agency and mentioned separating the current Transplant Policy, making it a stand alone.

Commissioner Don Boggs requested:

- The County Treasurer to provide a monthly claim analysis report for Commissioner Court
- Requested Mrs. Norris to see if there would be any benefits for the county to go to a prescription card.
- Requested Mrs. Norris to find out if the insurance provider had anything available to initiate incentives for preventive health care, i.e. the Wellness Center at TRMC.

Commissioner Boggs and County Auditor, Carl Johnson both requested a letter sent to all local physicians, by the county, allowing an option to become a provider on the network and to follow up with a letter of acceptance or the reason for denial.
