DATE: April 17, 2013

SUBJECT: Add one camera in courtroom "B" viewing room from behind bench.

- 1) Run wiring from IT room to camera location in courtroom.
- 2) Install vari-focal dome high resolution camera in courtroom behind bench looking at room and connect and program into DVR.

The total cost of this project would be \$510.00 including labor.

Supply a one-year parts warranty on the installed equipment. All warranties exclude lightning, power surges, brown outs, other acts of God, and customer/employee abuse or neglect.

Thank you for the opportunity to bid on this improvement to your facility.
