

STEP Impaired Driver Mobilization (IDM) Grant

Total TXDot Grant is \$7,500.00 for the selected enforcement of DWI in Titus County, Texas. The enforcement will focus on four holidays, Christmas/New Year, Spring Break, Independence Day and Labor Day.

Each of the four enforcement periods will be allocated \$1,875.00 to be paid to deputies working the program, which will allow for approximately 33.74 hours of enforcement. This money will be paid to deputies in the form of overtime by Titus County. Titus County will be reimbursed by TXDot for the overtime paid.

Only Lieutenant, Sergeant, Corporal and Deputies will be allowed to work the enforcement hours per the grant requirements.

Titus County Commissioners will need to approve the acceptance of the grant and also approve the paying of overtime to the deputies by Titus County Auditor's Office. Documentation of both approvals will need to be forwarded to TXDot prior to the first enforcement period which begins on December 13, 2013.
