Re: Senior's Meal Center

Commissioners,

Please take a look at these numbers and let me know if this is something you could live with that I could propose at the next court meeting on July 14.

Remember that the Utilities (Electricity, Gas, Water, Trash and Sewer) run about \$800/month. This doesn't include Bug Spraying, Vent-a-hood cleaning, or mowing the yard.

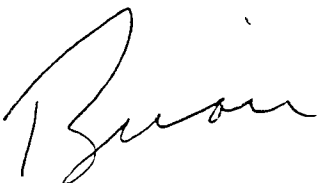

I believe I can get these amounts out of each of the three entities that will share the building:

Senior Citizens Services	\$250/month
ATCOG (Trax Bus Program	\$250/month
NETO (Utility Assistance)	\$100/month
County's contribution	\$200/month
Total	\$800/month

Senior Citizens Services would agree to pay for Pest Elimination and Vent-a-hood cleaning.

County could add the lawn mowing to existing contract, but I don't know what that would cost.

Let me know your thoughts
