## What is on the ballot?

### Prop 1: Keeping a Tax Cap & Allowing Voter Approved Repairs

Proposition 1 keeps a 10 cent Tax Cap for maintenance and operation costs but allows for voter approval of repair, restoration and improvement bonds.

### Prop 2: Funding Repairs for EXISTING classrooms

Proposition 2 requires passage of Proposition 1. It calls for voter approval of \$19.9 in bonds to fund repair of EXISTING college classrooms and infrastructure that are broken or worn out. If voters approve Props 1 and 2, then the net effective tax rate would increase by 3.6 cents per \$100 valuation.

If Props 1 and 2 receive voter approval, the NEW community college tax rate will be dedicated to the following:

7.3 cents	For maintenance and operation*
2.7 cents	For retirement of 2002 voter approved bonds**
3.6 cents	For 2014 repair bonds***
<hr/>	
13.6 cents:	New community college tax rate beginning 2015

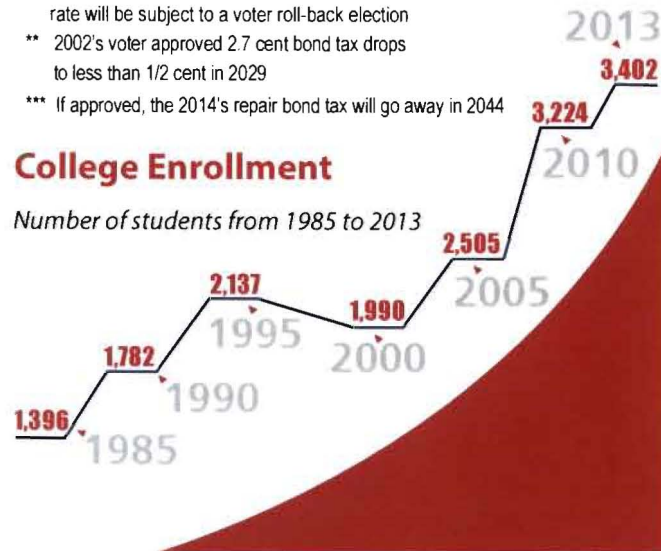

\* Any increase above current maintenance and operation tax rate will be subject to a voter roll-back election

\*\* 2002's voter approved 2.7 cent bond tax drops to less than 1/2 cent in 2029

\*\*\* If approved, the 2014's repair bond tax will go away in 2044

## What will this mean for community members?

Camp, Morris and Titus counties comprise the Northeast district. Taxpayers in these counties would see a 3.6 cent increase per \$100 valuation on their annual property tax bill. This translates to:

### A small monthly cost for local homeowners

\$50,000 Home	\$1.50/month
\$100,000 Home	\$3.00/month
\$150,000 Home	\$4.50/month
\$200,000 Home	\$6.00/month

## How does NTCC's tax rate compare to other East Texas colleges?

East Texas College	Tax Rate cents/\$100 valuation
Panola College	21.48
Tyler Junior College	19.99
Paris Junior College	18.68
Kilgore College	15.40
