

List of items that need done on highway 1735 loop construction project

3 culverts need installed as they were already there prior to project

Culvert stopped up with silt across from Rod Calhoun's driveway on county road entrance

Natural gas line needs to be stubbed up on Don Rhea property as this was in place before project

Bill for 1550.00 for repair of fence and loss of grazing due to damage of fence paid to Dan Stanley

DAN STANLEY
