

**The tax payers have the right to know how their money is spent.**

**In an effort to be more transparent, Charities that receive benenefits from the County will be required to file an annual report.**

**The report must include a copy of the IRS form 990 that each charity is required to report to the IRS.**

**Names of officers and the amount of compensation received from the Charity.**

**Names and amount of compensation of people that are employed by the Charity.**

**Furnish a certified copy of the “outside” audit that the charity has hired to be done.**
