Commissioners of Titus County  
100 West 1<sup>st</sup>  
Mount Pleasant TX 75455

Gentlemen:

As an operating and tax-generating entity of the county, Tri Special Utility District considers the Elections office to be a valuable tool for our required Director elections. The election office and its workers greatly assist in facilitating our election process and act as coordinators between Tri Special Utility District and other entities which make use of its services.

Tri Special Utility District would greatly appreciate your reconsideration of possibly closing the Titus County Election office.

Sincerely,

Aaron Gann  
General Manager
