Re: Bid proposal for surveying services in Titus County, Texas

Dear Mr. Winkler:

Thank you for the opportunity to bid your current land surveying needs. This is a proposal for setting eight Type II right of way monuments, and 15 ADL monuments on FM 2348 in Titus Co, TX per the right of way map provided and using TXDOT control provided. PTP Transportation will provide the caps for both to set.

We do hereby offer to perform these tasks for a Not to Exceed price of \$1,730. Work will begin upon CBG INC's receipt of this Signed Proposal (authorization). The monuments will be set in the next 12-15 working days from the date of this signed returned authorization.

This signed/accepted proposal (authorization) will be the Clients Authorization for this firm (CBG INC) to begin work. Our services will begin upon our receipt of this signed/accepted proposal (authorization) and the above stated work will be completed within the time frame indicated above, based on the Clients requirements for time of delivery of the Survey. Any line staking requested will be done at an hourly rate of \$125 after the survey is done. This bid is made and subject to normal surveying conditions including inclement weather. Variances are possible in extreme cases. Again, thank you for the opportunity.

Sincerely,

Justin Kleam, Office Manager

Note to the signer(s) of this proposal. The signing of this proposal is also the acceptance of financial responsibility for services rendered with payment of said services to be made in accordance to the above-specified terms. This proposal is valid for 30 days from the date at the top of this letter.
