To Our Valued Customer,

This is to notify you that effective immediately, due to the oil market volatility, Nexoil will be charging .35 per gallon to pick up used oil, \$35.00 per filter drum and \$65.00 per oil absorbents and industrial filters. A handling fee of \$9.50 will be added to each invoice. We appreciate your business and look forward to continuing to serve you in the future.

Thank You,

Dale Neumann
