

Kaybro Technologies IT Services Contract Agreement with Titus County Texas 2017-2019

This Agreement is made and entered into on this the 1st day of February 2017 by and between Kaybro Technologies, hereinafter referred to as "Seller", with its principal place of business in Sulphur Springs, Texas, and Titus County, Texas hereinafter referred to as "Buyer", with its principal place of business in Mount Pleasant, Texas.

Seller agrees to furnish to Buyer the services set out below on the terms and conditions of this agreement.

1. Term.

This agreement shall be in effect from February 1st, 2017 through September 30th, 2019.

2. Network Administrator.

Seller agrees to provide to Buyer one or more technicians, hereinafter collectively referred to as "Network Administrator", for up to Sixty (60) hours per week. Network Administrator responsibilities may include:

1. Basic Desktop level Support.
2. Remote for Basic Desktop level Support.
3. Basic Network Equipment Assistance.
4. Day to Day Desktop Backup Management.
5. Premium Hardware and Software Options.
6. Daily operations of Buyer's primary computer operating systems, loading new software updates and enhancements, and assisting and managing iSeries systems in coordination with NET Data Corporation located in Sulphur Springs, TX.
7. Seller agrees to maintain communications with NET Data Corporation located in Sulphur Springs, Texas for all service changes and updates related to the iSeries systems, including deploying client-based Real Vision Software, NetD Online, 5.3+ iSeries Access and all related service packs as well as any other primary software companies that may be introduced to Buyer's network systems.
8. CJIS Management Services.
9. CJIS Audit Services.
10. Network Security Management.

11. Monitoring computer networks for security threats or unauthorized users.
12. Identifying compromised machines and report on security measures taken to address threats.
13. Analyze security risks and develop response procedures.
14. Developing and testing software deployment tools, firewalls and intrusion detection systems.
15. Additional tasks may include research and evaluation, and recommending and implementing other security solutions as needed. This may include installing computer security software, conducting regular security audits, preparing security status reports.

Buyer shall provide a contact person to help resolve issues that may arise between Buyer and Seller. The contact person will be the County Judge or his/her designee and will only act for and with the commissioners' court as a liaison. The contact person will not act as a representative for individual users or offices.

4. Support Sites.

1) Seller agrees to provide support only to the following specified supported sites:

- A) Adult Probation's Office, Mt Pleasant, Tx
- B) Auditor's Office, Mt Pleasant, TX
- C) County Attorney's Office, Mt Pleasant, TX
- D) County Clerk, Mt Pleasant, TX
- E) County Judge's Office, Mt Pleasant, TX
- F) District Clerk, Mt Pleasant, TX
- G) District Judge's Office, Mt Pleasant, Tx
- H) County Barn/Commissioners' Office, Mt Pleasant, TX
- I) Justice of the Peace, Precinct 1, Mt Pleasant, TX
- J) Justice of the Peace, Precinct 2, Mt Pleasant, TX
- K) Purchasing Office , Mt Pleasant, TX
- L) Sheriff's Office Jail, Mt Pleasant, TX
- M) Sheriff's Office, Mt Pleasant, TX
- N) Tax Office, Mt Pleasant, TX
- O) County Elections Office, Mt Pleasant, TX
- P) Treasurer's Office, Mt Pleasant, TX

2) Seller may also service other sites if related directly to the primary county intranet. This service is at the discretion of the Seller.

5. Reports and Liabilities.

Buyer agrees to accept full responsibility of any computer network related incidents that might occur over the course of this service agreement and Seller agrees to practice safe and secure operations to the best of their ability in order to avoid said incidents.

6. Renewal & Termination.

This IT Services for Titus County Texas contract will automatically renew at the end of the contract period unless Buyer chooses to discontinue aforementioned services with Seller. Upon cancellation all service requests thereafter would be billable at Seller's normal business rates at the time of termination and may include additional fees if not given notice at least forty-five (45) days in advance to vacate Seller's software, hardware and personnel items.

7. Amending Options

Seller may request to amend this agreement in consideration of a potential technology workload increase, decrease or additional service requests. Buyer agrees to immediately consider Sellers request and determine whether or not adjustments to this agreement should be implemented. Both Buyer and Seller must agree to the terms before any changes are made to this agreement.

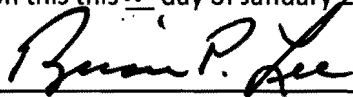

8. Consideration.

In consideration of the aforementioned services, Buyer will pay to Seller the sum of **\$60,331.18 over the remaining 7 months of the current fiscal year of 2017**. Such fee shall be payable in full on or before February 15, 2017. Buyer will continue to pay for services for each fiscal year of service on or before October 31st of each year of service for a total of **\$103,424.88 per year for two years, with services ending on September 30, 2019. This rate includes the 2% per year discount approved on 1/23/17.**

All additional onsite and remote support during normal business hours (Monday through Friday, 8am-5pm) but outside of contracted hours must be authorized in advance by Titus County representatives at a rate of **\$75.00** per hour during normal business hours, and at the rate of **\$150.00** after business hours, or during holidays, in addition to any travel costs that may apply. All nonbusiness hours support will incur additional charges as this agreement does not include nonbusiness hours support. Payments shall be due on the first day of each month prior to the month of service. Such payments shall be paid in cash to Seller in Sulphur Springs, Hopkins County, Texas.

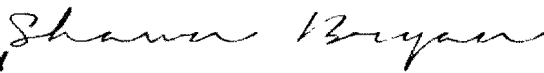

Signed on this this 23 day of January 2017.
