

**Alteration to Tax Abatement  
Initially Granted to Sweet Shop Candies, Inc.  
Oct 6, 2015**

A request to alter the Tax Abatement Agreement to reflect new ownership of Sweet Shop was received on Dec 29, 2016. The Mount Pleasant Tax Abatement Guidelines allow for a Tax Abatement to be transferred with a change in ownership but approval of the Council and other Taxing entities is required.

The request would allow the new owners to assume the benefit and the obligations of the four-year tax abatement which began in the 2016 Tax Year. Modifications to the building and new equipment covered under the Abatement were completed in March of 2016. The company is in compliance with the Tax Abatement Agreement at this time.
