TITUS COUNTY JUDGE

Re: Request for retention of budget surplus

Titus County
Judge Brian Lee
100 W.1st St. STE 200
Mount Pleasant TX, 75455

Dear Judge Lee,

Moving forward into this year, and the ongoing litigation with the Luminant Generation Plant, we are anticipating and preparing for court.

During the Board meeting held on January 16, 2018, the Board of Directors instructed me to request that we retain our budget surplus from 2017 encumbered for the purpose of litigation and trial on the Luminant Generation Plant.

For the 2017 budget year I have estimated the surplus to be approximately \$41,661.77. This amount, along with the 2018 budgeted amount of \$40,000, will be used in the preparation of documentation and the actual cost of appearing in court.

I have attached a spread sheet to reflect your approximate share of the surplus which the Board is asking to retain.

Please determine what process you must take in order for the appraisal district to retain those funds and contact me with the determination as soon as possible and feel free to contact me with any questions.

As always, we appreciate your support.

Best Regards,
