To Whom It May Concern,

My name is Dustin Edwards, manager at Curry-Welborn Funeral Home, and I am faxing this request for a pauper's cremation in the name of Kevin W. Clark. I personally don't send many of these unless it seems absolutely necessary but this young man needs help to be laid to rest. Kevin was 30 years old and most likely died of an overdose of some sort (Probably Meth). The autopsy reports are incomplete at this time and I am working with Judge Kay McNutt to obtain his death certificate and cause of death, but in the meantime there is no one that can pay for his final arrangements. I have discounted and donated our services to the bare minimum to help but I am sending this application to the commissioner's court in hopes to pay for a cremation for him. There is a surviving relative, His father, James T. Clark and because of that the county judge's office refused this application, but this man needs your help the most. He struggles in life to take care of himself and cannot pay to take care of his son's funeral arrangements. Below is my information and will gladly talk to anyone in further detail about the hardships he faces and if you need any further information about this case.

Thank You

Dustin Edwards
