DATE: January 14, 2019

SUBJECT: Installation of two cameras in the County Clerk's Office.

SCOPE OF WORK: Install two dome cameras in the County Clerk's Records Room

1. Install one camera at the East end of the room and the other mid-way in the room viewing the copier and computers.
2. Run cabling down to DVR and add cameras to the recording schedule.

The cost of this project would be \$736.00 in material and \$600.00 in labor for a total of \$1,352.00.

Supply a one-year parts and labor warranty on the installed equipment. All warranties exclude lightning, power surges, brown outs, other acts of God, and customer/employee abuse or neglect.

Thank you for the opportunity to bid on this improvement to your facility.
