Thanks Jeff. Did you verify with Seth T. that we have enough room for Additional CO lines on our existing main system. Yes we are ok

Will there be charge for install and programming labor? Yes we will do the labor on a MAC ticket — I'll say 8hrs but shouldn't take that long, but plan for worst case. 8x135.00= 1080.00 plus 50.00 trip

Did you confirm with Seth Bryan that we have necessary network infrastructure? I haven't heard from Seth B. - can you give me his # please.

I'll be back in the office on Monday.  
Thanks
