The department shall:

1. Provide workstations and equipment in accordance with guidelines set forth in the County Equipment Guide. On an annual basis, the department will provide the county a list of the equipment then assigned to the county. Attachment F, County Equipment List, will be renewed as according to the County Equipment Guide, and will become part of this agreement. The department retains full and complete ownership of the equipment and nothing in this agreement shall grant to the county, its officers, employees, or contractors, ownership in the equipment;
2. Maintain all the hardware and software necessary to support the equipment at approved county tax assessor-collector office locations;
3. Provide the county with the opportunity to lease additional workstations at county expense. A copy of the lease agreement is incorporated into this agreement and is found in Attachment D. Leased workstations are the property of the department;
4. Determine the county's annual needs of VTR-500-RTS paper and toner cartridges, based on historical use, as described in the County Equipment Guide. VTR-500-RTS paper and toner cartridges in excess of the department's determination are available at county expense;

The county shall:

1. Designate a person employed by the county to serve as the primary equipment custodian, whose responsibility it is to track equipment received by the county pursuant to this agreement. The county will designate the primary equipment custodian in Attachment E of this agreement, and may designate secondary equipment custodians if needed for multiple sites. The primary equipment custodian, in addition to the county itself, is responsible for ensuring compliance with the County Equipment Guide, which is adopted by reference to this agreement. If the County Equipment Guide is updated by the department, the primary equipment custodian must ensure that appropriate county personnel are informed of the update. The primary equipment custodian is also responsible for preparing the county for periodic equipment refreshes. Should the primary or secondary custodians cease employment with the county, the county shall appoint new custodians and update Attachment E.

3. Reimburse the department for the replacement cost of lost, stolen or damaged (not due to natural disaster) equipment. The department will invoice the county in accordance with the County Equipment Guide;
4. Not dispose of, transfer, resell, or designate as surplus any of the equipment or consumables provided through this agreement;
5. Process transactions in compliance with the Transportation Code and the department's title and registration manuals and related bulletins;
