3.2 **Scope of Services.** This Project includes but is not limited to the following services (collectively the “Participating Entity Services”):

(a) **VINE® (Victim Information and Notification Everyday).** VINE makes it easy for victims and concerned citizens to obtain timely information about criminal cases and the custody status of offenders held in local jails or state prisons. There are two versions of VINE that are currently supported by the Vendor: “Classic VINE” and “Enhanced VINE.” Appriss has been in the process of migrating states from the Classic VINE platform to the entirely new Enhanced VINE platform since 2016. Enhanced VINE offers a new experience, going beyond notifications, and facilitating a greater degree of information sharing between public servants, victims, and service providers. It offers a suite of new and augmented features, incorporating self-service functionality, and providing the end-user with the ability to select preferred pathways of communication. The new platform brings transformative benefits to victims and victim service providers alike. Appriss’s long-term plan is to migrate all states to the Enhanced VINE technology platform to better serve the growing needs of victims of crime, victim advocates, law enforcement and criminal justice professionals.

(b) **VINE® Courts.** VINE Courts is a fully automated service that keeps crime victims and criminal justice professionals informed regarding the progress of their court cases. Users can access court information around the clock by calling a toll-free telephone number or logging on to www.vinelink.com. They can also register to be notified by phone, e-mail, text message, or TTY about upcoming court and hearing dates related to criminal justice proceedings, cancellations, continuances, disposition changes, and other events.

(c) “VINE Software” means VINE® and VINE® Courts (as detailed above and within the Vendor Response), including all designs, documents, inventions, software, copyrightable material, patentable and unpatentable subject matter, and all modifications, improvements, upgrades and derivative works made thereto.

(d) Vendor shall provide Named Entity access to VINE® and VINE® Courts as outlined in Section 3.2(d) and pursuant to the requirements of the Incorporated Documents and at the rate included in the Pricing Index, incorporated herein as Exhibit B, for the term of this Contract. Vendor shall ensure Named Entity has access to the Classic VINE Platform upon commencement of this Contract but shall migrate Named Entity to the Enhanced VINE platform within the Term of this Contract pursuant to the schedule agreed by Vendor and OAG under the terms of the OAG Certification Agreement.

("Quarterly Fee").

Invoices will contain all pertinent information such as this Contract number, the dates of Services rendered, and any outages or performances issues as identified in Section 7 of this Contract.

5.4 Invoice Submission. Prior to authorizing payment to Vendor, Named Entity shall evaluate Vendor's performance using the performance standards set forth in the SOW. Vendor shall provide invoices for Participating Entity Services no later than the 15th day following the end of the prior billing quarter in which the Participating Entity Services are rendered. No payment whatsoever shall be made under this Contract without the prior submission of detailed, correct invoices. By submission of the invoices, Vendor is warranting the following: (1) its invoices have been carefully reviewed to ensure that all invoiced services have been performed or delivered; (2) that the Participating Entity Services have been performed in compliance with all terms of the Contract and Incorporated Documents; and (3) all relevant performance and deliverables associated with such invoice have been successfully completed, accepted and all supporting documentation is attached. Upon the request of Named Entity, Vendor agrees to submit any additional documentation or explanation Named Entity may reasonably require. Subject to the foregoing, Named Entity must make all payments in accordance with the Texas Prompt Payment Act.

5.5 Appropriated Funds. Payments under this Contract are subject to the availability of appropriated funds. Whereas OAG provides grant dollars to the Named Entity as a reimbursement of the Quarterly Fees due hereunder, Vendor acknowledges and agrees that payments for Participating Entity Services provided under this Contract are contingent upon OAG's receipt of funds appropriated by the Texas Legislature.

SECTION 6: ADDITIONAL SERVICES

6.1 Additional Services. Named Entity may require the Vendor to perform additional services from among the optional services that are set forth in the SOW which are not included in the Participating Entity Services required under this Contract ("Additional Services"). Vendor shall offer any such Additional Services at the same rate as proposed in Vendor's Pricing Submission as attached and incorporated into the Vendor's Response.

6.2 Additional Services to be Mutually Agreed. No work or services shall commence, or products provided, unless and until the applicable fees, and all other impacts on the Project and Schedule as specified by Vendor are mutually agreed upon, in writing, by Named Entity and Vendor. No Additional Services or any applicable fees associated therewith shall be deemed to modify this Contract or obligations between Named Entity and Vendor except to the extent the Additional Services are mutually agreed upon, in advance in writing, and by both Named Entity and Vendor.

7.2 Performance Remedies. In the event the Participating Entity Services provided by Vendor hereunder do not maintain a reliable 99.9% uptime-performance each calendar month for the SAVNS core system, Named Entity interface services, and notification interfaces, the Named Entity may withhold any Quarterly Fee due to the Vendor funds under Section 5 of this Contract based on a pro-rata amount equal to the duration of the outage for any prior billing quarter. The amount of withholding shall be calculated on a proportional amount for all Participating Entity Services provided to Named Entity in the billing quarter in which the monthly 99.9% uptime-performance requirement was not met. Accordingly, any outage in any portion of the SAVNS core system, Named Entity interface services, and notification interfaces for registered parties, shall be counted against the 99.9% uptime performance requirement.

Notwithstanding the foregoing, the Vendor shall not be responsible due to any delay caused by, and shall not have its uptime-performance impacted by: schedule amendments requested by the OAG (including any requests of Named Entity and any third party vendors of the OAG or the Named Entity); delays as the result of activity that is the responsibility of the OAG; delays that are otherwise agreed upon by the parties; any other delay not specifically addressed herein but that is otherwise caused by the acts or omissions of the OAG, Named Entity or any third party vendors of the OAG and Named Entity; and any delays caused by a Force Majeure Event as defined in the Section 15.10 of the OAG Standard Terms and Conditions.
