

TEXAS ASSOCIATION of COUNTIES

Cybersecurity Course Enrollment Form for Counties

Under a new state law, Tex. Gov't Code § 2054.5191, effective June 14, 2019, all local government employees and elected officials who have access to a local government computer system or database must complete a cybersecurity training program certified by the Texas Department of Information Resources (DIR) at least annually.

In response to the new cybersecurity training mandate and in furtherance of our continued commitment to our county family, TAC is offering a free cybersecurity course that has been certified by DIR and fulfills the requirements of the new law.

Should your county choose to participate in TAC's cybersecurity training program, **please have your Commissioners Court approve your county's participation and complete the enclosed form and return via email to SecurityTraining@county.org or fax to (512) 477-1324.** For more information about the underlying legislation and TAC's cybersecurity training course, please visit county.org/cybersecurity.

The course will first be made available to enrolled counties on Jan. 15, 2020 and should be completed by June 14, 2020. Enrollment is available on a rolling basis throughout the year.
