Reference: Damage to Lieutenant David Price's personal vehicle

On Monday, May 4, 2020, I received information that Lieutenant David Price's personal vehicle was damaged while parked on Titus County property possibly by TCSO personnel mowing the grounds. I reviewed the video where the vehicle was parked that entire day and observed TCSO personnel mowing within a few feet of Price's vehicle with the mowers deck exhaust blowing debris towards Price's vehicle. I continued to watch the video and found no other explanation on how the rear windshield could have been damaged. I reported the finding to Sheriff Tim Ingram who advised to reimburse Price for the cost of damage.

On 05/01/2020 at approximately 1615 hours, I, Jail Lieutenant David Price, arrived at my personal vehicle in the rear parking lot to find the rear windshield broken. When I arrived at approximately 0755 hours that morning there was no damage to the rear window. At approximately 1149 inmates being supervised by Officer Russ Hall were mowing and weedeating in the area surrounding my vehicle. I believe a rock must have been propelled by the weedeater or lawnmower and struck the rear windshield during that time. After leaving the parking lot I immediately attempted to find a motorvehicle glass repair / replacement business. I could only locate one business open during that time and proceeded to request a quote for the repair, Taylor Glass & Mirror LLC quoted the replacement and repair for a total of \$261.34. I was advised that half of the total cost must be payed in order to place the glass on order. I payed \$130.00 that day so that I can have the glass repaired as soon as possible. I have been notified that I can deliver the vehicle 05/05/2020 at approximately 0800 to have the glass replace.
