

JUNE 18, 2020

Titus County, Judge Brian Lee and Pct. Commissioners; Al Riddle; John Fitch; Dana Applewhite; Jimmy Parker;

Let me begin by saying "Thank You" for your support of the Titus County Historical Commission and the Titus County Veteran Service Office over the past 10 years. It has been my honor and my privilege to assist the community and our Veterans in these capacities. I have found that each of you cares deeply about Titus County and its citizens and I have nothing but gratitude and appreciation for our relationship over the years.

Out of respect for each of you and for the citizens of Titus County, I hereby tenure my resignation as Titus County Historical Commission Chair and as Titus County Veteran Service Officer. I hold no ill will toward the Titus County Commissioner's Court or any individual member thereof. I wish you all the best in serving the citizenry to best of your abilities.

The functions of leadership in government on one hand verses the duty of office on the other, bring me to this decision and I respectfully seek your approval in reference to this letter of resignation. This decision I make of my own free will and without duress.

If approved, this letter will become effective immediately.

Steve W. Austin
