

TEXAS ASSOCIATION *of* COUNTIES

Cybersecurity Course Enrollment Form for Counties

Under state law, Tex. Gov't Code § 2054.5191, effective June 14, 2019, all elected officials and any local government employee who has access to a local government computer system or database must complete a cybersecurity training program certified by the Texas Department of Information Resources (DIR) at least annually.

In response to the cybersecurity training mandate and in furtherance of our continued commitment to our county family, TAC is offering a free cybersecurity course that has been certified by DIR and fulfills the requirements of the law.

Should your county choose to participate in TAC's cybersecurity training program, **please have your Commissioners Court approve your county's participation and complete the enclosed form and return via email to SecurityTraining@county.org** or fax to (512) 479-1807. For more information about the underlying legislation and TAC's cybersecurity training course, please visit county.org/cybersecurity.

Your course administrator will receive an email notification when your county is enrolled with instructions on how to complete the training. The training should be completed by June 14, 2021. Enrollment is available on a rolling basis throughout the year.
