Tract Description: Parcel 7061, 0.109 Acres

Dear Property Owner:

KSA Engineers, Inc., providing engineering design and services for the City of Mount Pleasant, will be performing topographic surveys for the planning and design of improvements to the public wastewater utilities in Titus County. The purpose of this survey is to provide the design engineer with survey data for drainage analysis and to establish any visual existing rights-of-way. Therefore, we are requesting your permission to allow our field crews to enter your property to perform these surveys.

If this property has been sold, please provide the name and address of the new owner. If there are any lessors or tenants on the property that should be contacted, please include this information in the space provided below. If you are agreeable, please sign in the space provided below, then mail the signed original back to us in the stamped, addressed envelope we have enclosed for your convenience. Also, if you have access to a fax machine, we would appreciate you faxing us a copy of your signed authorization before you mail the original (915) 642-6877.

We have also enclosed a copy of this letter for you to keep for your records. Every effort will be made by KSA Engineers, Inc. to meet your special requirements. Due to time considerations, your signing this letter and sending it back by return mail when you receive it would be greatly appreciated.

If you have any questions, please contact Jason Weakley at (903) 563-4296, or Brian Pritchett with KSA Engineers, Inc. at (903) 251-6042.

Thank you for your assistance in this matter.

Sincerely,

*Jason Weakley*
