Due to increase in the price of diesel, I am requesting permission to add a fuel surcharge on the haul price only.

I have attached a sheet with the surcharge amounts over \$4.00 per gallon.

This site is the U.S. Energy Information Administration that posts fuel prices every Monday for this region. I will use that price and the attached sheet to figure the surcharge for that week.

The web site is

[Gulf Coast \(PADD 3\) Gasoline and Diesel Retail Prices \(eia.gov\)](https://www.eia.gov/finance/prices/gulf-coast/padd3/)

If you have any questions please call me.

Thank You
