**Subject:** Agenda Item for June 13 - Extension of Bids for Jackson Oil & HE Spann

**Attachments:** Auditor's Scan\_20220608\_122401.pdf

Hello, Judge Lee: Please add an item to the June 13 agenda to extend the fuel and road materials bids from the above vendors. The items in YELLOW on pages 1 are the items that are being extended. This extension is without any price increase except for the fuel surcharge previously approved for HE Spann. Page 2 of the attachment is a summary of the other road materials bids that will expire on August 23, 2022.

None of the other vendors were willing to extend their bids at the current bid price. Those vendors unable to extend or unresponsive to our request are: Martin Marietta, RK Hall, Richard Drake, and Cleveland Asphalt.

Thank you!

Good morning Linda! We appreciate the offer to be able to extend our Titus County contract an additional 60 days through August of 2022. Unfortunately, at this time, we are unable to do so UNLESS the County is willing to grant at least a \$0.60 per gallon increase per product.

Good afternoon Karen,

I have been asked to contact your entity to see if they would like to extend their bid. This would be for an additional sixty days. The original contract allowed two years, for which we extended it in June of 2021. Would you consider extending through August 2021? I look forward to hearing from you.

Have a great rest of your day.
