Hello Judge Cooper and Commissioners: Please find attached the bid information for the purchase of trucks for commissioners. The only bid received was from Elliot Auto Group through the TIPS Purchasing Cooperative Contract # 220304 for a total cost of \$ 49761.25 each. This is the amount for one truck. There is no other discount for the purchase of more than one truck. The order must be placed within 90 days for this price.

Elliot currently has one truck in stock. Otherwise, the minimum delivery time is 90 days. The delivery time could be longer.

Please see the email that I sent to you on May 9 for the list of other TIPS vendors from which we requested bids.

We received no response from Silsbee, Boswell and Sandlin.

I contacted Josh Hearn at Sandlin and learned that they were not bidding because they did not have inventory available on a "work truck (WT)". Their corporate headquarters has had a constraint on all "WT" for the whole year. This is due to the fact that corporate usually holds the "WT" for fleet dealerships. They could possibly offer the next level of truck known as a "LT" and an estimated cost for the "LT" would be between \$ 12,000 to \$ 15,000 more.

Please let me know if you have any questions.

Thank you!
