the sheriffs office because they want us to get rid of all of our old vehicles that I have inherited from family and also making me not be able to work on car anymore due to them saying I can't have anyone's vehicles here longer than 10 days even if we are waiting on parts.

So I was just curious what we have done to y'all to make mark make complaints against us.

Hey Mrs. Stansell. We was recently approached by the Titus county sheriffs office because mark had made a complaint against us for our vehicles on our property. I just want to know what we have done for him to do this to us? I'm doing my best to run a small business and have been busting my but and now I'm having to fight the sheriffs office because they want us to get rid of all of our old vehicles that I have inherited from family and also making me not be able to work on car anymore due to them saying I can't have anyone's vehicles here longer than 10 days even if we are waiting on parts.
