RE: SB22-Grant Funds

Below is my proposal for the allocations of grant funds:

1. Raise the salary of the Investigator position by \$4,000.00.
2. Raise the Victim Assistance Coordinator position by \$6,000.00.
3. Create a new position at \$50,000.00.
4. Create a new position at \$50,000.00.
5. Create a part time assistant prosecutor at \$30,000.00.
6. Benefits paid from grant totaling \$35,000.00 based on an estimate of 20% the used funds.

This is subject to change based on responses from the Texas Comptroller's Office on the use of funds.

Sincerely yours,

John Mark Cobern
