Ref: Update on Public Nuisance complaints

Date: 02262024

Sir,

Allow me to make a brief update on the enforcement actions taken in regards to Public Nuisance offences (HSC 343.011) and Garbage, Refuse and other Waste (HSC 341.013).

In regards to the 60 complaints filed on the owner of the sawmill in Talco, he has paid over \$2,000 in fines and is allegedly closing the sawmill portion of his business in Talco.

Over 100 citations were filed for Garbage Refuse and other Waste regarding property on CR4660. Final disposition of those cases are still pending with JP 1. Cleanup and fence construction is in progress with 240 feet of privacy fence having been built so far.

One citation was issued regarding property along Hwy 49. The citation was paid and compliance obtained.

In regards to derelict property on Hwy 67 west citations were previously written and ignored. Warrant was obtained and the property owner was arrested and an additional 6 citations issued.

Respectfully,

Sgt. Clint Bain
