Value Notes

 Methodology differences may exist between data sources, and so estimates from different sources are not comparable.

Some estimates presented here come from sample data, and thus have sampling errors that may render some apparent differences between geographies statistically indistinguishable. Click the Quick Info  icon to the left of each row in TAB learn about sampling error.

The vintage year (e.g., V2023) refers to the final year of the series (2020 thru 2023). Different vintage years of estimates are not comparable.

In Vintage 2022, as a result of the formal request from the state, Connecticut transitioned from eight counties to nine planning regions. For more details, please see the Vintage 2022 release notes available here: [Release Notes](#).

Users should exercise caution when comparing 2018-2022 ACS 5-year estimates to other ACS estimates. For more information, please visit the [2022 5-year ACS Comparison Guidance](#) page.

Fact Notes

- (a) Includes persons reporting only one race
- (c) Economic Census - Puerto Rico data are not comparable to U.S. Economic Census data
- (b) Hispanics may be of any race, so also are included in applicable race categories

Value Flags

- Either no or too few sample observations were available to compute an estimate, or a ratio of medians cannot be calculated because one or both of the median estimates falls in the lowest or upper interval of an open ended
- F Fewer than 25 firms
- D Suppressed to avoid disclosure of confidential information
- N Data for this geographic area cannot be displayed because the number of sample cases is too small.
- FN Footnote on this item in place of data
- X Not applicable
- S Suppressed; does not meet publication standards
- NA Not available
- Z Value greater than zero but less than half unit of measure shown

2023 RACIAL PROFILING REPORTING

Racial Profiling Reporting will open on January 1, 2024.

***PLEASE NOTE:** The reporting period for stops made in 2023 will begin on January 1, 2024. Reports must be filed by March 1, 2024.

All agencies must report Exempt or Full Reporting, and must submit a Comparative Analysis (Texas Occupations Code 1701.164)

The question set for the Racial Profiling Report can be found here:

https://www.tcole.texas.gov/document/full-reporting.pdf?utm_medium=email&utm_source=govdelivery

All agencies are **REQUIRED** to submit both the TCOLE fill form report and the Comparative Analysis report (unless filling EXEMPT). You will be given two options when filling your Comparative Analysis:

- Use the **SAMPLE COMPARATIVE ANALYSIS** supplied by TCOLE, or
- Upload your own **COMPARTIVE ANALYSIS** supplied by an outside vendor.

Submission Information

Texas Occupations Code 1701.164 specifies that TCOLE collect incident-based data in accordance with the Code of Criminal Procedure Article 2.131 – 2.138.

Chief administrators of law enforcement agencies that meet criteria must submit racial profiling reports to:

- **their governing body,**
- as well as TCOLE via TCLEDDS.

Reporting Options

Each agency must file an annual online report by selecting and completing the reporting option that applies to their agency. Reports are filed through TCLEDDS. The reporting period for the **previous** year begins on January 1st and ends March 1st.

The Reporting options are:

1. **Exempt** - Agencies that do not routinely make motor vehicle stops should fill out the 1 page online exempt status form. The exempt status report contains agency general public contact information for questions about its racial profiling filing status. Some agencies are not required to file annual reports. A statistical analysis is not required on EXEMPT STATUS.
1. **Full Reporting** - Agencies that routinely perform traffic stops or motor vehicle stops must file by online report. **The online report requires the completion of agency general public contact information and requires completion of both:**
 - An **online form** about the numbers of motor vehicles stops made **and,**
 - **Uploading a separate PDF comparative analysis document containing a statistical analysis of its motor vehicle stops compared to the gender and ethnic population of the agency's reporting area.** The second document must also contain a statement as to if racial profiling complaints were made against the agency and if so, a listing of all racial profiling complaints and the corresponding resolutions.

Please be advised that failure to submit the required report within the designated reporting period may result in license action against the chief administrator and/or civil penalties against the agency under CCP 2.134(g) and 2.1385(a), respectively.
