The Girl Scout Gold Award is the highest level of achievement in Girl Scouting. Girls who pursue the award learn leadership skills, organizational skills, and a sense of community and commitment that sets the foundation for a lifetime of active citizenship. The Girl Scout Gold Award provides the opportunity for girls to create "take action" projects that further the Girl Scout brand in our communities, helping girls make the world a better place.

We are very proud of the Senior and Ambassador Girl Scouts from the Girl Scouts of Northeast Texas who have earned this award during the 2023-2024 school year. We hope you are able to join us in recognizing their outstanding contributions to our community.

Sincerely,

*Anna McNew*
