Chief,

Good afternoon.

I hope this email finds you well.

I processed a mach order, and the router did not ring out for free on the new titus account. (glad we checked before you spoke to the commissioner on Monday)

We can add the router on a sub account to the tri lakes fire dept account like we added the other router, and it was free. A sub account will allow it to have completely separate billing from the regular, and since you work at both places you can manage it.

I double/triple checked, and the system is not allowing it for free on the Titus account.

Please let me know if you have any questions.

Apologies for any inconvenience this may have caused.

The one time cost of the router on the titus account is \$399.99
The monthly cost of the router on the titus account is \$37.99

Thank you and have a great day.

Chief,

Good afternoon, and happy Thursday. I hope this email finds you well.

On the Titus account we can get the router for free.

I will also double check after the 10th when you give me the green light, and let you know before processing the order to ensure it is free.

Thank you

1. Shipping cost and taxes are subject to change during checkout. Activation/upgrade fee/line up to \$35; restocking fee per device up to \$50. An Economic Adjustment Charge/line/mo may also apply; \$0.98 for basic phones & tablets; \$2.98 or \$3.97 for smartphones & data devices and for wireless business internet plan lines. Subject to business agreement, Calling Plan & credit approval. Either an Offer Recovery Fee or up to \$650 Early Termination Fee may apply. If applicable, your line's Offer Recovery Fee will be the sum of device discounts plus device credits you receive. Offers & coverage, varying by svc, not available everywhere; see vzw.com. Monthly charges are shown before taxes, and VZW surcharges/line/mo (including 36.3% Fed. Univ. Svc.; \$3.50 (voice)/\$0.06 (data-only) Admin Chrg; \$0.19 (voice)/\$0.02 (data-only) Regulatory Chrg). Your organization may qualify for better pricing when the final price is calculated upon checkout. In some states, sales tax is calculated on the full retail price or the VZW cost of the device you purchase, and not on the discounted price you pay. Some users may not be permitted to bill charges to their account, purchase order, and/or credit card. This may prevent you from completing your order online today. CA and NV calculate tax based on full retail value of the item(s) purchased. MA calculates tax on whichever is greater: full retail value or Verizon's cost of the item(s) purchased.
2. These charges may differ from what appears on your bill because some taxes and surcharges apply to only a portion of your monthly charges, depending on your plan, features, and device. Taxes are estimated and certain orders containing devices purchased on Device Payment contract terms will be billed actual taxes in effect at the time of order or on such bill, and will be reflected on your Billing Account Invoice. (Devices purchased in AL, AZ, CO, IL, NM, ND, and SD are billed monthly).
